SUNDAYS

Sunday School

Preschoolers love Sunday School! This is where their spiritual foundation begins through Bible stories, play, crafts, games, music, and more. Your child will be a part of a class with teachers that care for and teach your child about Jesus. You have the opportunity to attend Traditional Worship or a Small Group. Join us at 9:15am every Sunday to see what the fun is all about!

Extended Care (babies-4k)

We offer Extended Care on Sundays at 10:45am. Parents have the opportunity to attend Contemporary Worship or a Small Group while their child is being cared for by committed and loving volunteers.

WEDNESDAYS

TeamKID (3-5k)

Join us at 6pm each Wednesday night during the school year for TeamKID. As followers of Jesus, we are called to be ALL IN as we love Him with all our heart, soul, strength, and mind. TeamKID will lead kids through a biblical study of key spiritual disciplines such as prayer, worship, and service.

JELLO

JELLO (Jesus Especially Loves Little Ones)

A free "mommy and me" group that meets each Thursday morning on our campus from 9-10am or 10:30-11:30am. We start with a small craft or activity, and then sing and dance using scarves, shakers, music sticks, parachutes, bubbles and more! We have moms, grandmothers, aunts, babysitters, etc, who bring little ones. Come and give it a try!

SUNDAYS

Sunday School

Sunday School is designed for kids to learn about Jesus in a small group setting. Our main goal is to teach through the biggest stories of the Bible. We walk through the entire Bible chronologically and see how each big story points to Jesus.

Sunday School starts at 9:15. 1st-3rd grade meets on the 2nd floor while 4th-5th grade meets on the 4th floor.

Children's Worship

Every person needs Jesus to meet them right where they are. They need to see how the Bible meets their lives and they need a community of Christ followers surrounding them. This is why we think it is important for our children to be able to worship in a manner which helps them identify with their Creator. During Children's Worship, all kindergarten-3rd graders will enjoy a time of high energy music, videos, skits, and Bible lessons. Parents, as always, you are welcome to stick around and see what the hype is all about, and enjoy a time of worship as a family!

WEDNESDAYS

Wednesday nights are for learning and fun! We want kids begging their parents to bring them to fbctkids on Wednesdays. The first Wednesday of the month is dedicated to a big event! From Neon Night to Carnival Night, you don't want to miss these big events! Kids will have an awesome time and have the opportunity to invite their friends. Each Wednesday, the story will relate to what was taught the Sunday before.

412 is for 4th and 5th graders and meets on the 4th floor. Hangout time and pizza starts at 5:30. Activities start at 6:00pm.

Acts 1:8 is for 1st-3rd graders and starts at 6:00pm in the Children's Worship room.
