## Mission Possible

Chris Chambers, Minister of Missions

Have you ever wanted something so badly that you worked with all your might to make it happen and nothing you did got you any closer? Remember the story of King Arthur and how he was raised on the streets not knowing he was the heir to the Throne until one day when he approached the Sword in the Stone and pulled it out after hundreds of strong men had given it their all? But it wasn't strength that pulled the sword out it was the fact that he was the rightful heir. The sword was there but Arthur didn't realize it was his all along. That is how it is with us and knowing that God has a plan and purpose for each of us but we are too busy trying to make things happen when all we have to do is seek Him and He will show us. Mission Possible is just that.....Possible! God has placed each of us here at FBCT for His work, not ours. There are local opportunities where you can serve a meal, paint a house, pray with those in need, and many other things. Or maybe you would like to go outside of the city or even state and participate in a construction project, VBS, Bible Clubs, or give out clothes to those in need. Some of you have a Passport and are feeling the need to go overseas and we have places just for you too. You see, God has given us plenty of ways of doing Missions with Him. In John 9 we see the story of Jesus and the Disciples when they came upon a man born blind who was sitting at the temple gates begging. The Disciples were more concerned about how the man became blind than about how to help him. Jesus explained that this happened so that all would see the power of God. Jesus then told them in vs 4. "As long as it is the day, we must do the works of Him who sent Me. The night is coming when no one can work." Jesus is inviting us to join Him in Doing the Work that God had sent Him to do. Don't let an opportunity pass by where God has called you to join Him on mission.
