Changed Lives

Changed Lives Christian Center (CLCC) is a Christ-centered ministry managed by and in partnership with The Foundry Ministries that offers transitional housing for men who desire to break the cycle of homelessness in their own lives, whether from the economic recession or other personal issues such as substance abuse and/or mental illness. If your small group or Sunday School Class would like to get involved by serving a meal, please register on Helper Helper or contact Robyn Davis at 205-914-5639

Hope Inspired

Hope Inspired Ministries (HIM) is a faith-based, local non-profit that trains chronically unemployed men and women to obtain and maintain employment. Through a rigorous 9-week job training program, each student participates in 360 hours of training, including soft skills, employment skills, financial management, problem-solving, conflict resolution, and many other critical skills. Each student participates in an internship with a local business. We conclude the course with a cap and gown graduation where every student offers a 3-5 minute speech regarding lessons learned in the course. If you would like to help serve our friends at Hope Inspired Ministries, please get in touch with the Missions department for a current list of needs.

"For I know the plans I have for you,' declares the LORD, 'plans to prosper you and not to harm you, plans to give you hope and a future.'"

-Jeremiah 29:11
