CAMP 2024

BEFORE

Supervise Packing: Know what your student is taking. Use this time to coach them through decisions of clothing, electronics, and anything that may be inappropriate for the trip. There will be **NO CELL PHONES ALLOWED** at camp.

Expectations: Talk clearly about the expectations you have for them at Camp Shocco - behavior, attitude, respect for authority, and focus. The less time we spend dealing with "drama", the more time for ministry and fun!

DURING

Get Started Well! Be sure to arrive on time on Friday, June 28th. We are asking everyone to be here at 2:00PM. It feels good to arrive with plenty of time to get final registration completed, say goodbyes, and not be rushed.

Live Stream: Check out the Camp Shocco Worship Services. See the attached schedule and log on to the FBCT Website to worship along with us as we discuss our theme of "Set Apart."

Pray: Please PRAY with us over our times of travel, Bible Study, fellowship, recreation and most importantly, worship.

AFTER

Ask your son/daughter spiritually engaging questions like the following:

- What was something significant you learned at Camp Shocco?
- Did you make any commitments to yourself or God at Camp Shocco?
- What effect can you have in your school?
- How can I help you with what God taught you this last week?

Know that we value what you are doing as a parent. Thank you for the opportunity to join you in the discipleship of your student. Please let us know if we can continue to help you out!
